

F.O.M. 10 Provincial Exam Review

Practice E-exam Instructions and Key Guide

- 1) Open any web browser (ex. Google Chrome)
- 2) Go to "google.com"
- 3) Search "BC Ministry of Education Provincial Exams"
- 4) Click "Sample Exams"
- 5) Click:
 - course grade: "10"
 - "English"
 - "I agree to the copyright terms"
 - "search"
- 6) Click "Foundations of Mathematics and Pre-Calculus 10"
- 7) In our lab time, we will attempt to complete BOTH Sample A and Sample B
 - Click on "Sample A 2010/11"... "**e-exam**"
- 8) Beside "Sample A 2010/2011" there is a BLUE link that says "FMP10AA2012"
 - Click on this, and it will **auto-populate** (fill in for you) the spaces below, in the box, that say:
"PEN"
"Session Password"
- 9) **WRITE DOWN the 5 digit "PEN" that the website gives you.**
(This way, if you don't finish all 60 questions in one session, you can re-enter the e-exam later, and enter in this same "PEN", and continue from where you made it to last time. When you are finished all 60 questions, you can submit the e-exam, and it will **mark it for you.**)
- 10) Click "login"
- 11) Click "yes, continue to exam"
- 12) Click "next"....to go past the *examination rules*
- 13) Read the BLUE page, then click "START EXAM"
(this should take you to a yellowish page, with Question 1 of the no-calculator section.)
- 14) **Work through e-exams! Do "SAMPLE A" first, check your score on the website, then do "SAMPLE B", then check your score.....**Make sure you find and practice using the "DATA PAGES" in the e-exam.... Here you can find all the formula sheets you need, graphing features, and in the "calculator permitted" sections, there is an online scientific calculator, and online rulers and protractors for certain questions.
